Riddle Multi Light Pendant

By Bert Frank

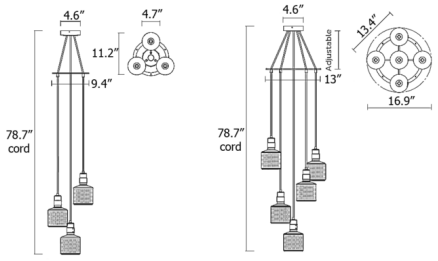

CE

Description

The Riddle Multi Light Pendant features a cluster of perforated brass pendants suspended from a circular spreader plate. Each pendant is lined with a fabric diffuser insert to reduce glare and produce a soft, warm glow. Suspending the pendants at varying heights creates an eye-catching sculptural form, which is enhanced by interplay of light as it emerges from the bottom and sides of the shades. Includes canopy to cover standard US junction box.

Shown in black / brushed brass
