Shear Pendant By Bert Frank

Description

The Shear Pendant is a versatile and functional fixture with a luxurious expression and timeless silhouette. The conical shade is crafted from spun aluminum and accented with a brass rim and interior to reflect light and create a warm glow. Shear's simple, streamlined style makes it an effortless fit in a variety of settings. The small pendants include a black fabric cord, while the large pendants include a brass downrod. Note: Includes canopy to cover standard US junction box. Overall height to be specified at time of order. Note: UL certification is available upon request for an additional charge. Please contact our sales team for assistance.
