Spate Wall Sconce By Bert Frank

Description

The Spate Wall Sconce makes references to Art Deco design while exploring contrasting textures and forms. The acid etched glass shade features a stepped design and softly diffuses light from the integrated LED light source. A row of marble spheres attached to brass rods adorns the bottom of the sconce with a decorative accent. Spate's unique look is both opulent and inviting, making it a perfect statement piece. Dimmable with TRIAC dimmers. Note: Includes a 24V external power supply which requires installation in an accessible remote location. Note: UL certification is available upon request for an additional charge. Please contact our sales team for assistance.

Shown in white marble / opal
