## Tanto Wall Sconce

By Bert Frank

### Description

The Tanto Wall Sconce combines a boldly modern silhouette with the age-old materials of brass, marble, and glass to create a striking, dynamic fixture. The light source is housed within an opal glass cylinder with decorative brass rods and a chunk of polished marble adding an opulent accent. The slim, asymmetrical design is a perfect fit for any modern interior. Includes mounting plate to cover standard 4 inch US junction box.

Shown in green marble / brushed brass
