Hamel Wall / Ceiling Light

By Corbett Lighting

Description

Mixing materials and playing with shapes, the Hamel Wall/Ceiling Light places a metal disc shade in front of a natural stone backplate. An LED behind the shade backlights the Vintage Brass or Burnished Nickel finish and flows through to illuminate the alabaster with a soft glow. Can be mounted as a wall sconce or a flush mount. Dimmable via Triac or electronic low voltage.

Shown in alabaster / vintage brass
