Budapest Wall Sconce By Corbett Lighting

Description

The Budapest Wall Sconce's treaded, track-like alabaster detailing gives this artful sconce an edge. When lit, the striking alabaster creates a warm glow to complement the Vintage Brass metalwork on the sides. Dimmable via Triac or electronic low voltage. Note: This fixture does not mount to a standard junction box - a 2x4 inch junction box is required.

Shown in vintage brass / alabaster
