DESCRIPTION

The TeTaTet Flute Portable Table Lamp will add a touch of ambiance to transform any table into a meeting place. The round head of the lamp houses a rechargeable battery and LED light source that allows the lamp to be placed wherever additional lighting is needed. Thanks to the transparent methacrylate column, the light source appears to float in mid-air. A magnet in the bottom of the stem allows the lamp to be easily attached to the round metal baseplate. Includes rechargeable battery and USB-C. On/off touch switch located on lamp head.
