## Seine Ceiling Light By Gubi

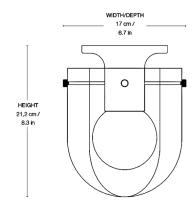

## Description

The Seine Ceiling Light's mouth-blown, patterned glass shade and interior glass globe softens and blurs light to create a dreamy ambiance.

Designed to emulate the appearance of light in water, the shade's cloverleaf shape and ridged glass aid in refracting light. The shade is available with transparent Smoke glass or a pinkish Coral color with a sandblasted interior to create a cloudy effect.

Shown in antique brass / coral
