Seine Table Lamp

By Gubi

Description

The Seine Table Lamp's mouth-blown, patterned glass shade softens and blurs light to create a dreamy ambiance. Designed to emulate the appearance of light in water, the shade's cloverleaf shape and ridged glass aid in refracting light. The shade is available with transparent Smoke glass or a pinkish Coral color with a sandblasted interior to create a cloudy effect. Rotary dimmer switch located on cord.

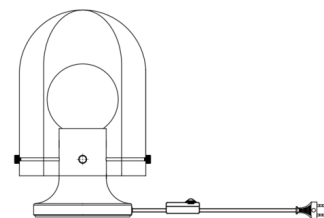

Shown in antique brass / coral
