Stemlite Pendant

By Gubi

Description

Originally designed by Bill Curry in 1962, the Stemlite lamp series was the first total look lamp, which replaced the traditional base-and-shade design with a single, self-contained unit. The Stemlite Pendant is a variation of this classic created by flipping the original design upside down. Featuring a round frosted glass diffuser, Stemlite will add a touch of mid-century style to any interior.

Shown in black red / frosted
