Stemlite Table Lamp

By Gubi

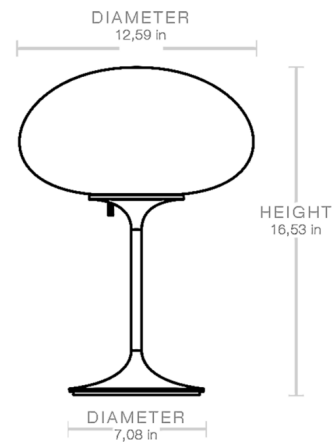

Description

Originally designed by Bill Curry in 1962, the Stemlite lamp series was the first total look lamp, which replaced the traditional base-and-shade design with a single, self-contained unit. The Stemlite Table Lamp is Gubi's take on remastering this classic design for the modern era. Featuring a frosted glass diffuser atop a slim stem, Stemlite will add a touch of mid-century style to any interior. Rotary dimmer switch located beneath shade.
