DESCRIPTION

The Basket Sofa takes its name from its handwoven rattan base, a material traditionally used in basket weaving. The rattan exterior is formed over a steel frame that provides strength and stability to the chair's tiered form, and the rattan is treated with a polyurethane coating for added durability. The plush cushions provide a comfortable seat that makes Basket as practical as it is stylish.

Shown in: Rattan / Lorkey 40

COLOR	Lorkey 40
BODY FINISH	Rattan
WATTAGE	N/A
DIMMER	N/A
