Wheeler Wall Sconce By Hudson Valley Lighting

Description

The Wheeler Wall Sconce is smooth and sleek. An elongated half pill-shaped shade in Aged Brass or Black Nickel covers the LED within and casts a beautiful soft glow on the wall behind. Its elegant wall washing effect can add interest to an entryway or flanking a fireplace. Can be mounted horizontally or vertically. Dimmable via Triac or electronic low voltage. Note: This fixture does not mount to a standard junction box - a 2x4 inch junction box is required.

Shown in aged brass
