## Sydney Table Lamp

By Hudson Valley Lighting

### Description

The Sydney Table Lamp pairs a strong architectural influence with a Greek coastal feeling. The matte ceramic base has smooth curves and straight lines, giving it a clean, streamlined look. Specks in the white ceramic add the slightest hint of color and make the piece feel more natural. Symmetrical cut-outs bring balance and airiness to this fashionable, functional table lamp. Full range dimmer on socket.

Shown in white / white
