Ikon Hugger Ceiling Fan with Color Select Light

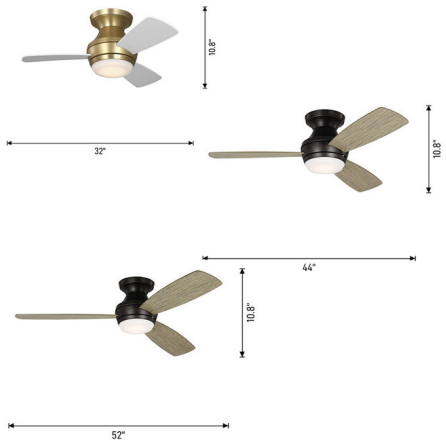

By Visual Comfort Fan

Description

The Ikon Hugger Ceiling Fan with Color Select Light offers a classic style updated with modern lines, with the Brushed Steel and Midnight Black options featuring reversible blades for matching the fan to your decor. The flush mount saves vertical space, ideal for small rooms or low ceilings. An integrated LED light provides plenty of illumination and brightness level can be adjusted to set different ambiances. Its color temperature (CCT) is also adjustable, to 2700K, 3000K, or 4000K using a switch on the light kit. A hand-held remote control with wall cradle is included and enables motor on/off, 4 speeds, and light on/off with dimming. Fan direction can be reversed using a switch on the fan. Optional controls and accessories are sold separately. Note: Limited finish/color combinations available for 32 inch option.
