

BRAND Generation Lighting

DESCRIPTION

The Jovie Ceiling Fan features a simple industrial design that works well in a range of spaces from transitional to contemporary. For fans that have a light, the color temperature (CCT) can be adjusted to 2700, 3000K, or 4000K using a switch on the light kit. A wall control is included and can turn the motor on/off and set 4 speeds. Fan direction can be reversed using a switch on the fan. If the fan has a light, the control also turns the light on/off and dims. Optional controls and accessories are sold separately.

Shown in: Midnight Black / Midnight Black / American Walnut

SHADE COLOR	Midnight Black / American Walnut
BODY FINISH	Midnight Black
