Jovie Outdoor DC Ceiling Fan

By Generation Lighting

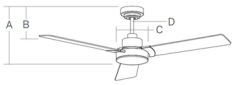

Description

The Jovie Ceiling Fan demonstrates impeccable form and function, featuring a simple industrial design and equipped with a quiet yet powerful DC motor. For fans that have a light, the color temperature (CCT) can be adjusted to 2700, 3000K, or 4000K. A hand-held remote control is included for turning the motor on/off and setting 6 speeds and reverse. If the fan has a light, the control turns it on/off and dims it. Optional accessories are sold separately.

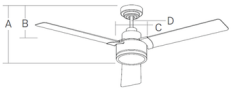

Shown in brushed steel / silver / american walnut
