Ruhlmann Smart Ceiling Fan with Color Select Light

By Visual Comfort Fan

Description

The Ruhlmann Smart Ceiling Fan with Color Select Light features a sleek industrial design with groove detailing above the motor. Equipped with an LED light and quiet, energy-efficient DC motor, the Ruhlmann is the perfect solution for freshening up and illuminating your indoor or covered outdoor space. Color temperature (CCT) of the light can be adjusted to 2700K, 3000K, or 4000K using the various controls. The fan fits seamlessly into your modern lifestyle, integrating with smart home tech including Alexa/Echo, Google Home, SmartThings, Control4, ELAN and Hubitat. It can also be controlled through the Bond Home app on your phone, where you can adjust fan speed, use breeze mode, and create schedules and fan groups. An additional control option is the included hand-held remote control which enables motor on/off, 6 speeds, reverse, light on/off, CCT adjustment and dimming. A cover plate is included for use without the light kit. Optional accessories are sold separately.
