Smart Ceiling Fan Remote Control with Receiver

By Visual Comfort Fan

Description

The Smart Ceiling Fan Remote Control with Receiver is compatible with Monte Carlo AC motor fans. It turns the fan on or off, enables 4 speeds, turns the light on or off and adjusts dimming. It also converts a non-smart fan into a smart fan that can be controlled through the Bond Home app on your phone or through smart home systems including Alexa/Echo, Google Home, SmartThings, Control4, ELAN and Hubitat. These smart controls offer expanded functionalities including breeze mode and creating schedules and fan groups. A wall cradle is included. A receiver is also included, to be installed in the fan canopy.
