## Smart Ceiling Fan Remote Control with Receiver

By Visual Comfort Fan

### Description

The Smart Ceiling Fan Remote Control with Receiver is compatible with Monte Carlo AC motor fans. It turns the fan on or off, enables 4 speeds, turns the light on or off and adjusts dimming. It also converts a non-smart fan into a smart fan that can be controlled through the Bond Home app on your phone or through smart home systems including Alexa/Echo, Google Home, SmartThings, Control4, ELAN and Hubitat. These smart controls offer expanded functionalities including breeze mode and creating schedules and fan groups. A wall cradle is included. A receiver is also included, to be installed in the fan canopy.
