Applique Cylindrique Wall Sconce

By Nemo

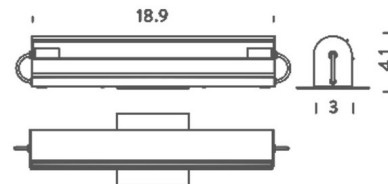

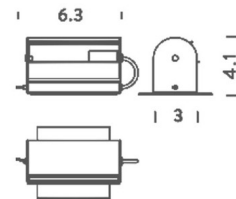

Description

The Applique Cylindrique Wall Sconce was originally designed by Charlotte Perriand for her mountain chalet in the early 1930s. Perriand's interest in useful forms is reflected in the fixture's moveable shade, which allows the direction and intensity of the light beam to be easily adjusted. The Applique Cylindrique's timeless design will complement both modern and retro-inspired interiors. Includes mounting plate for standard US junction box.

Shown in anthracite / light blue
