## Borne Beton Outdoor Floor Lamp

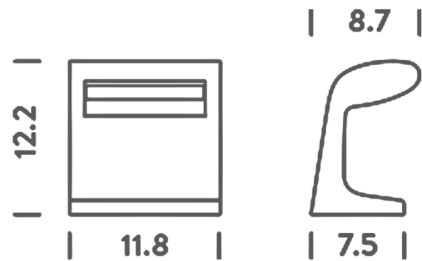

By Nemo

### Description

Originally designed by Le Corbusier in 1952, the Borne Beton Outdoor Floor Lamp pairs rigid concrete with an elegantly curved silhouette to create an intriguing contrast. The integrated LED light source is housed behind a white PMMA diffuser tucked within the top of the lamp to gently disperse light downwards. Maybe used as a plug-in lamp or installed as a hardwired fixture.

Shown in concrete / white

### Specifications
