Quill Aurora Chandelier

By Niche

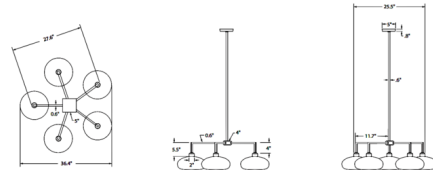

T20

Description

The Quill Aurora Chandelier contrasts straight lines and sharp angles with softly curving glass shades for a stunning contemporary aesthetic. The five-armed steel frame supports Niche's handcrafted Aurora shades, which feature a rounded shape with an upturned rim. Included downrods allow the overall height of the fixture to be suspended at different heights. Note: Fixture is 33 inch from bottom of glass to top canopy- additional rods are provided.
