Solitaire Chandelier

By Niche

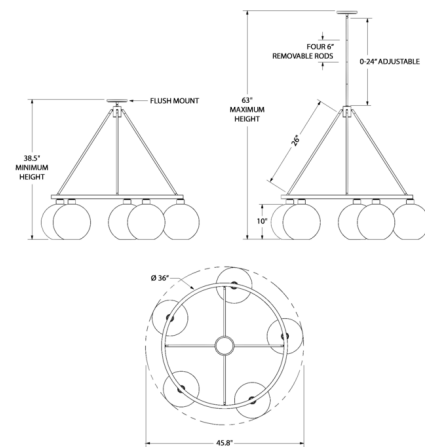

T20

Description

The Solitaire Chandelier, designed by Jeremy Pyles, is minimalist and straightforward in its presentation. Five hand blown glass globe shades are suspended from a metal ring for a simple but elegant fixture that will elevate any interior. Note: Due to the weight of the fixture, additional ceiling support is required. The Sapphire and Grey shades are not available with Satin Brass finish, and the Opaline shade is not available with Polished Aluminum finish.

Shown in satin brass / opaline
