DESCRIPTION

The Pharos LED Pendant, designed by Jeremy Pyles, pays homage to ancient towers of light with its sleek and simple design crafted from handblown glass. It takes its name and shape from the Lighthouse of Alexandria, also known as the Pharos, which gave warning of shoals to passing ships. Includes LED retrofit bulb, 48 inch cord, and 5 inch diameter canopy. Note: The Sapphire shade is not available with Satin Brass hardware. The Plum shade is not available with Graphite or Polished Nickel hardware. The Fig and Moss shades are not available with Black hardware.
