Berenice Floor Lamp

By Luceplan

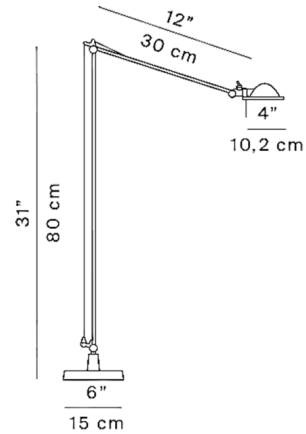

Description

The Berenice Floor Lamp features fluid movement of the jointed arms and 360 degree rotation of the head, making it possible to adjust the direction of the beam. Die-cast aluminum structure and base. The parabolic reflector in pressed glass (Satin White, Rose, Sage Green, or Yellow) or metal (Black, Brass, or Aluminum) directs light into a concentrated beam that is perfectly suited for task lighting. Note: Reflector included.
