## Ascoli Floor Lamp By Astro Lighting

### Description

With its slender geometric proportions, the stylish, functional Ascoli Desk Lamp comes into its own as a desk companion. A convenient handle on the head and smoothly pivoting robust knuckle joint allow easy adjustment of light direction. The head tilts 90 degrees and rotates 330 degrees. Bright, even illumination shines out, while the back of the head is open to let heat out. Crafted from durable steel, the Ascoli is available in subtle finishes that beautifully complement any decor. This lamp is the perfect free-standing task light for an office or reading nook. On/off switch on cord.
