Pendant Suspension 3 with Glass Shade

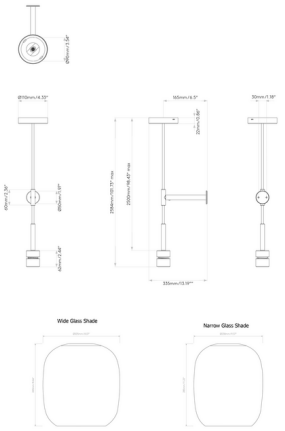

By Astro Lighting

Description

Crafted from die-cast steel and suspended on a thick braided cable, the Pendant Suspension 3 is a sleek, modern lighting solution for residential and commercial spaces including hotel lobbies, restaurants and bedrooms. The standoff arm from the wall prevents the light from accidentally getting knocked against the wall, ideal for bedside installations, while Bronze and Matte Black finishes offer a dark subdued aesthetic. The Smoke Gray shade, made of pigmented glass, achieves striking depths of color for rich, warm illumination. Due to its organic nature, each shade has unique swirls or color variations that add artisanal character.
