Linear Pull Bar with Plate

By Buster + Punch

Description

The Linear Pull Bar with Plate is refined by hand and features Buster + Punch's signature diamond-cut, linear knurl pattern. **Black:** Made from Aluminum and then anodized to give a deep Black finish. **Brass:** Made from precision-machined solid brass and finished with two layers of durable satin lacquer. This finish will age slowly, moving from radiant brass to deeper and golden within a few years. **Steel:** Made from solid stainless steel and refined by hand. Steel is Buster + Punch's most durable finish and will remain the same for years to come.
