D-Shape Strike Plate Kit By Buster + Punch

Description

The D-Shape Strike Plate Kit is made of solid metal and designed to be paired with Buster + Punch door hardware and latch accessories. Suitable for internal doors. Fits standard doors. Brass: Made from precision-machined solid brass and finished with two layers of durable satin lacquer. This finish will age slowly, moving from radiant brass to deeper and golden within a few years. Steel: Made from solid stainless steel and refined by hand. Steel is Buster + Punch's most durable finish and will remain the same for years to come.
