Girder Shelf

By Buster + Punch

Description

The Girder Shelf is a contemporary storage solution that will bring an industrial aesthetic to your space. It features a laser cut sheet Aluminum, press bent and powder coated and complemented by a hand polished Metal guard rail. Fixing screws are not supplied. **Brass:** Made from precision-machined solid brass and finished with two layers of durable satin lacquer. This finish will age slowly, moving from radiant brass to deeper and golden within a few years. **Gun Metal:** Made from Stainless Steel and then finished with Gun Metal PVD. Will stay the same for years to come. Easy to clean. **Steel:** Made from solid stainless steel and refined by hand. Steel is Buster + Punch's most durable finish and will remain the same for years to come.
