## Lucenera Pendant By Catellani & Smith

### Description

When designing the Lucenera series, Enzo Catellani aimed to move the emphasis off of the fixture and onto the light it produced. To accomplish this goal, Catellani used the simple shape of a single cylinder suspended from a round canopy. The angle and intensity of the light beam can be adjusted by sliding the nickel rod along the pendant's cable. Includes matching black or white mounting plate to cover standard US junction box.

Shown in black

### Specifications

COLOR	N/A
BODY FINISH	Black
WATTAGE	5.5W
DIMMER	Low Voltage Electronic
DIMENSIONS	2.2"W x 9.45"H
BULB NOT INCLUDED	1 x MR16/GU10/5.5W/120V LED
COUNTRY OF ORIGIN	Italy
