Medouse Outdoor Wall Sconce

By Catellani & Smith

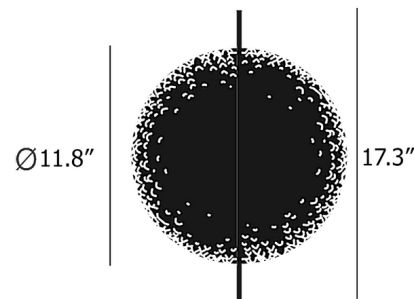

Description

When designing the Medouse Outdoor Wall Sconce, Enzo Catellani sought to bring the refined style of indoor lighting to outdoor living spaces. Medouse consists of a glass dome with a rough texture that has been applied by hand before the glass has fully cooled. A brass bar bisects the glass shade for an understated accent. IP44 rated for outdoor use.

Shown in brass / green

Specifications
