## PostKrisi F100 Floor Lamp

By Catellani & Smith

### Description

The PostKrisi collection was Enzo Catellani's first foray into working with fiberglass. While he was initially intrigued by the material's light weight and strength, he was captivated by the shadows cast as it interacts with light. The PostKrisi F100 Floor Lamp features an oblong shape with pointed tips atop a square nickel base. Integrated LEDs housed within the lampshade cast a warm glow that emanates from inside. Available in White Painted Fiberglass, Gold Leaf, or Silver Leaf. Dimmer switch located on cord.
