Althea Accent Chair

By Cyan Designs

Description

The Althea Accent Chair combines throwback-nostalgia with a modern, well ordered look. Inspired by iconic mid-century modern design, this humble furnishing lends a curated appeal to any ensemble. Crafted of cotton rope, this hand-woven accent chair matches a full back with a contoured seat, and four straight legs to offer supreme comfort. A cream finish in its braided cross-hatch design exudes mid-century minimalism, and lends itself as a warm and welcome seating option fit for any contemporary or transitional look.
