Spezza Coffee Table

By Cyan Designs

Description

Complete your living room look with the head turning Spezza Coffee Table. This anchor piece is crafted from solid oak and concrete, and couples a solid circular top with slotted straight wooden legs, for a hint of mid-century appeal. The two toned design make it distinctive, yet understated, perfect for any modern, nostalgic, or transitional ensembles. Its low profile makes it ideal for more compact seating arrangements.

Shown in wood / ivory
