Gildrum Table By Cyan Designs

Description

Complete your living room look with the head turning Gildrum Table. This anchor piece offers enough space to display accents and serve your guests. Crafted from solid iron and glass, this furnishing couples a solid circular top with slotted straight metal strips, for a hint of elegant Art-Deco appeal. The gold finish design make it distinctive, yet sophisticated look, perfect for any modern, nostalgic, or transitional ensembles. Its low profile makes it ideal for more compact seating arrangements.
