Arroyo Vase

By Cyan Designs

Description

Balance rustic native style and contemporary appeal on any tabletop design with the geometrically inspired Arroyo Vase collection. This collection features a fogged design and glazed beige, brown and bronze accents, on scaled up glass. Set it next to your living room mantel to complement neutral-toned wood statuettes and classic glass and iron trinkets, or pair with similar abstract accents on the wall above for an eclectic gallery display. For a touch of boho-chic contrast, let this vase hold a blossoming arrangement then set it on a dining table for a simple yet sophisticated centerpiece to your entertainment ensemble.
