## Risse Vase

By Cyan Designs

### Description

The Risse Vase is formed from porcelain into a bud silhouette carefully positioned to create a mosaic effect. The elongated neck trickles down to a rounded base, making it perfect for storing liquids to hydrate your floral bouquets. Display this rustic decor as a standalone or with a lovely floral bouquet. This vase is just one half of a pairing, so you can add dimension by displaying both. Perfect for any native-inspired, bohemian, or modern farmhouse aesthetics.
