Cuzco Vase

By Cyan Designs

Description

With a classic bud-shaped silhouette, the Cuzco Vase brings a touch of artisanal vibrance to any arrangement in your space. A multi-colored surface mixes red and green accents with a dark cross-hatched grid on an amber palette. The vase is covered in a textured glaze, making it perfect for any modern, eclectic, or transitional design. The colorful notes make it the ideal accessory to store your floral arrangements, branches, or to display on its own.
