Kapalua Bowl

By Cyan Designs

Description

If you love coastal accents, you'll die for the Kapalua Bowl. It features a gradient ocean blue and frost design with an embossed swirl pattern at the edges and classically complements any seaside or nautical decor, while the smooth glass finish creates a watery, wave-like effect over the silhouette. Durable glass construction and a flat, sturdy base makes the Kapalua Bowl the perfect storage option. Add a striking accessory to your traditional living room, eclectic entryway, or modern kitchen island countertop with this artful accent.
