Ruins Vase

By Cyan Designs

Description

The southwestern style Ruins Vase features a compact trumpet silhouette with decorative circular patterns surrounding the middle rim. The design is juxtaposed with a creamy white finish that allows the patterns to pop. A broad base coated in matte white provides some sturdy reinforcement for balance on any coffee table, kitchen counter, or entryway console surface. Add this whimsical accent to your shabby-chic, bohemian, or natural themed aesthetics. Great for commercial as well as residential use.
