Precipice Vase

By Cyan Designs

Description

Rounded contours and a vibrant, gradient ceramic surface lend the Precipice Vase natural appeal. This rustic vessel sports a bud silhouette with distressed touches, making it perfect for any bohemian aesthetic or modern farmhouse decor. The fusion of cream, brown, and red clay finishes combine to resemble a late summer dessert sunset. With two available sizes, this accent is perfect for your fire mantle plans, coffee table styling, or entryway console decor.
