Geneva Vase

By Cyan Designs

Description

A stunning centerpiece starts with a vase, the Geneva Vase! Set this posh piece in the center of your tabletop ensemble for a vibrant foundation, then let a blooming bouquet sit inside to give your dining room a dash of garden-worthy grace. With a blush-finished, seeded glass design, this vessel takes on an abstract look that is further elevated when reflecting light. Taking on a playful curved silhouette, this graceful vase is perfect for punching up any area of your abode.
