Windford Plug-In Wall Light

By Dainolite

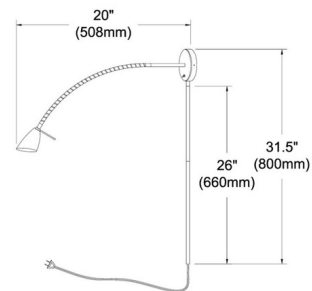

Description

Turn your favorite reading space into a stylish oasis of light with this Windford Wall Sconce. The design takes the traditional reading light and gives it a makeover in modern style. The metal frame features a circular base, with a gooseneck arm that extends to an elegant tapered housing for the halogen light. It offers an appealing combination of practical and fashionable features. With its versatility and practical uses, it's a chic addition to your bedroom, office or any other space where directional light is needed. On/Off toggle switch on backplate.
