Priscilla Pendant

By Dainolite

Description

This Priscilla Pendant adds textural as well as artisan-style appeal to your home. It's a creative variation on the classic dome shade, perfect for modern furnishings. The simple drop leads to a metal frame and an open work dome. Soft gray felt is woven into the frame, creating a singular look that will draw attention to the room around it. Priscilla adds a focal point to kitchens, dinettes or a main foyer of your home.
