Priya Pendant By Dainolite

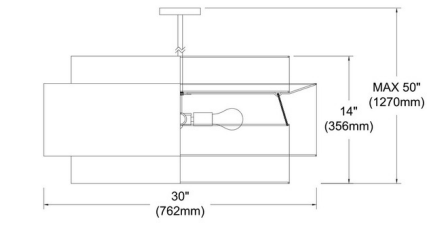

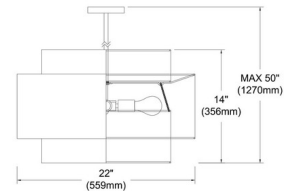

Description

Add a pop of artisan-style allure to your home with the Priya family of lighting. With its multi-dimensional construction, it creates curves and textural interest in contemporary or minimalist design schemes. From a simple drop, the design is constructed with overlapping fabric drum shades. Color options include subtle monochromatic as well as contrasting configurations for added eye appeal. The effect is simple, yet stylish, and suitable for living or dining rooms, kitchens and hallways.
