Sanja Wall Sconce

By Dainolite

Description

A unique silhouette, and backlit LED light, give the Sanja a singularly modern appeal. The flat metal frame creates the look, mounted on the wall, but angled slightly away from it. A frosted acrylic LED mounted on the wall-side casts a subtle glow of light. Despite its standout style, its sleek profile means it will blend easily with your existing decor in a living room or bedroom, or a chic office suite.
