## Verona Wall Sconce

By Dainolite

### Description

The Verona family of lighting features a striking design that establishes a modern allure along with welcome vanity lighting. Clean lines and a dimensional design give it an eye-catching appeal. An arm extends from the square metal frame, echoed by a white glass cube that holds the light. Smooth lines and squared shapes create a substantial effect that won't go unnoticed. Verona lighting adds a note of modern glamour and luxury to bathrooms, powder rooms or spas.
