A Line Shoe Rack

By Form & Refine

Description

The A Line Shoe Rack is a small harmoniously designed combined shoe rack and console table that helps make the best use of the narrow space found in hallways, utility rooms or functional entrance halls. It is made of sustainable-sourced oak of the highest quality and its contours are rounded carefully inline with artisan craft tradition. The large top shelf above the rack serves as a console table. Each shelf can accommodate one pair of shoes and four pairs of shoes in total.
